35TH ANNUAL TEXAS OILMAN'S BASS INVITATIONAL

Dear Texas Oilman's Sponsor:

The Texas Oilman's Bass Invitational (TOBI) Board of Directors and committee members once again extend its sincere appreciation for your past tournament support through sponsorship donations. Your sponsorship directly affects the success of TOBI and allows it to continue to be a quality fishing tournament experience.

Most importantly, your sponsorship permits TOBI to support the Renal Unit at Texas Children's Hospital along with other charitable organizations. Due to the generosity of our sponsors and entrants over the past 35 years, this fishing tournament has generated over 2.6 million dollars in cash donations to the hospital.

TOBI also continues to conduct its annual fishing event for the renal unit at the Texas Children's Hospital. Children from the hospital participate in a day of fishing at the private lake of Mr. Marshall Willey. Derrick Corporation graciously transforms a grassy lakefront into a comfortable place to serve the kids hot dogs and hamburgers as well as bringing along a fully stocked ice cream freezer! The TOBI committee members teach the kids to fish and give them the opportunity to make new friends. Each child leaves not only with hats and fishing rods, but also with a memory that will be with them for the rest of their lives. Proceeds from the tournament also fund the annual Christmas Party where approximately 300 gifts are provided to patients and their siblings. Your sponsorship matters to these kids!

The goal of the Board and Tournament Committees for the 35th annual TOBI is to continue to conduct a quality invitational oil industry tournament that financially contributes to the renal unit at the Texas Children's Hospital and other deserving children's charities. With this goal in mind, we invite you to participate in the 2025 March tournament which will be held at Cypress Bend Park at Toledo Bend Reservoir. Registration is on March 13th, with the tournament on March 14th and 15th.
